

Type: ST2K220

Model Series: agilis

#### Equipment:

- Window
- Cold cascade
- Water-cooled system
- 2 ducts DN50
- The test room can be used as an independent temperature test cabinet
- Many other functions and options already integrated

#### Technical specifications

Dimensions basket	436 x 470 x 370 mm (WxDxH)
Dimensions outside	1280 x 1863 x 2025 mm (WxDxH)
Temperature range	-75 °C to +180 °C (+200 °C)
Temperature change	5.0 K – 7.0 K/min
Temperature deviation	Temporally in the range of -40 °C to +150 °C ±0.1 K ... ±0.5 K

Manufactured year: 2008  
Operating hour: 76,543

Price: 30,500.00 Euro
