

Chamber Type: Shock Tester

Type: ST2K220/75

Brand: RS-Simulatoren

Equipment:

- Made in Germany
- With sophisticated controller features (New unit of durable industrial controller SE-604)
- Water-cooled system
- Viewing window

\* On site visit can be arranged to view the Chamber with appointment made.

**Technical specifications**

Interior size	650 x 640 x 600 mm (WxDxH)
Exterior size	1160 x 1950 x 2060 mm (WxDxH)
Dimension of basket	500 x 470 x 480 mm (WxDxH)
Basket moving direction	Vertical direction
Basket moving mechanism	Electrical motor drive
Maximum basket load	25 kg
Basket transfer time	15 seconds
Temperature range (Cold zone)	-70 °C to +100 °C
Temperature range (Hot zone)	+10 °C to +220 °C
Temperature deviation	±1 °C
Temperature change rate (Cold zone)	2 °C/min
Temperature change rate (Hot zone)	2 °C/min
Voltage	3x400V/N/PE
Maximum current	29A

Manufacturer: Germany  
Manufactured year: 2003

Price: RM73,900.00  
Delivery terms: EXW RS-Simulation Asia,  
Malaysia (INCOTERM 2020)
